

Session Program

22-24 Jan 2007

Accelerators Technical and Operation Review (ATC/ABOC Days)

Session 1: Major Events

CERN, 874-1-011, 874-1-011
1211 Geneva, Switzerland

Monday 22 January

09:00

Session 1: Major Events

Session | **Location:** CERN, 874-1-011, 874-1-011, 1211 Geneva, Switzerland

09:00–09:15

Introduction to the ATC/ABOC days

Speaker

Frederick Bordry

09:15–09:45

Statistics of Operational Events and Consequences

Speaker

Bettina MIKULEC

09:45–10:15

Electrical network: selectivity and protection plan

Speaker

Jose Gascon

10:15–10:45

Coffee break

10:45–11:15

The safety electrical networks at CERN

Speaker

Anne Funken

11:15–11:45
