

## 7th Beam Telescopes and Test Beams Workshop

Contribution ID: 25

Type: **not specified**

### The DESY II Testbeam Facility

*Wednesday, 16 January 2019 09:00 (20 minutes)*

The DESY II Test Beam Facility will resume operations beginning February 2019. The current status and possibilities for future improvements and extensions of the facility will be presented.

Additionally, we show recent results on characterization measurements on the time structure and explain its convolution.

**Primary authors:** MEYNERS, Norbert (Deutsches Elektronen-Synchrotron (DE)); STANITZKI, Marcel (Deutsches Elektronen-Synchrotron (DE)); DIENER, Ralf (DESY)

**Co-author:** DREYLING-ESCHWEILER, Jan (Deutsches Elektronen-Synchrotron (DESY))

**Presenter:** MEYNERS, Norbert (Deutsches Elektronen-Synchrotron (DE))

**Session Classification:** Facilities & Infrastructure
