## **Classical solutions of open string field theory**

*Thursday 22 July 2010 15:24 (18 minutes)*

We review recent progress in finding and analyzing classical solutions of open string field theory.

**Author:** Dr SCHNABL, Martin (Institute of Physics AS CR, Prague)

**Presenter:** Dr SCHNABL, Martin (Institute of Physics AS CR, Prague)

**Session Classification:** 12 - Beyond Quantum Field Theory Approaches (including String Theories)

**Track Classification:** 12 - Beyond Quantum Field Theory Approaches (including String Theories)
