

# HSF Software Forum

---

Introduction

2018-07-18

# HSF Working Groups and Activities

- Many HSF working groups have been active over the last few months
  - Packaging
  - Software Tools
  - Frameworks
  - PyHEP Workshop
- We will start working groups on some of the key areas in HEP software - critical for the next decade
  - Analysis
  - Simulation
  - Reconstruction
- *Please contact us if you would like to volunteer to organise or participate*

# Software Forum

- This meeting dedicated to some lower level libraries
  - VecCore
  - SOAContainer
- After this we will have the traditional Northern Hemisphere summer break
- Now planning meetings for the Autumn, potential dates:
  - 12 September
  - 26 September
  - 10 October
  - 24 October
- Please send suggestions for further meetings to [me](#) or to [hsf-coordination@googlegroups.com](mailto:hsf-coordination@googlegroups.com)
