

## **$b \rightarrow s l l'$ and $l \rightarrow l' \gamma$ in 2HDMs**

*Tuesday, 16 April 2019 15:05 (25 minutes)*

In this talk I discuss the calculation of  $b \rightarrow s l l'$  and  $l \rightarrow l' \gamma$  transitions in 2HDMs (including right-handed neutrinos) and its phenomenological implications.
