

Performance Management of International Public Administrations Conference

ICPO – INTERPOL
(Lyon, France)

19 – 20 May 2011

Proposed Theme

Performance During Recession – The Growth Challenge

- The Interaction with Member States:
 - Managing Contributors' expectations through performance budgeting: link funds to outcome
 - Reporting on results with key performance indicators
 - Income collection and defaults

- The Roadmap for Alternative Funding:
 - Main actors (Governments, International Organizations, Foundations, Private Companies, etc.) and methods (Project Sponsorship, Partnership, Donations, Other Modalities of Contributions)
 - Potential conflicts of interest
 - Income from services provided: technical, legal and other aspects
 - Reporting on use of alternative funding: Standards
