Organisation Européenne pour la Recherche Nucléaire

# 4<sup>th</sup> Controlling Conference of International Public Organisations

Geneva, 31/5 – 1/6, 2010

CERN

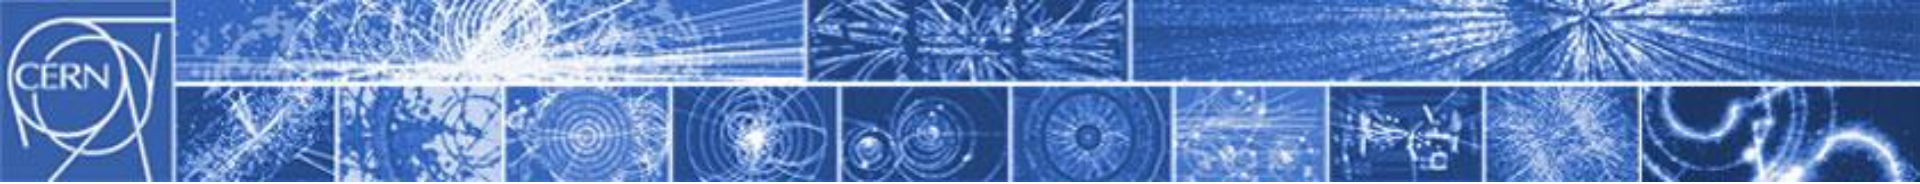

European Organization for Nuclear Research

Organisation Européenne pour la Recherche Nucléaire

**Most important**

**Welcome to CERN**

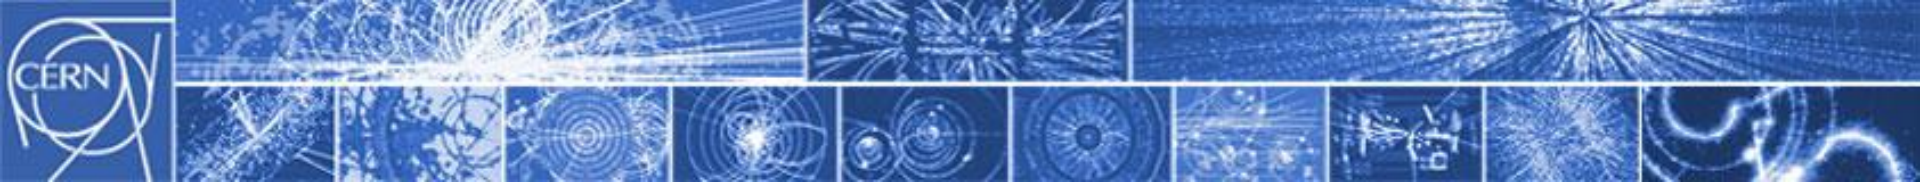

(where the web was born)

# CERN: presentation / visit in the afternoon

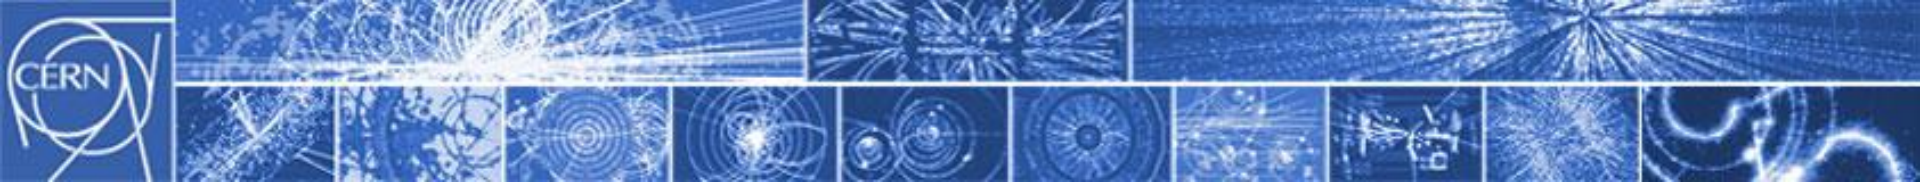

- Fundamental physics research, mission:  
**Research, technology, collaboration, education:**  
to understand what the Universe is made of and how it works

# A bit of history of the conference

- 1<sup>st</sup> Conference in Frankfurt ECB (European Central Bank): (Start)  
**Controlling / Key Performance Indicators**
- 2<sup>nd</sup> Conference in Munich EPO (European Patent Office):  
**Key Performance Indicators / Exchange of Experience**
- 3<sup>rd</sup> Conference in Luxemburg ECA (European Court of Auditors):  
**Administrative Simplification**
- 4<sup>th</sup> Conference in Geneva, CERN:  
**The Reduction of Overheads in International Public Organisations**

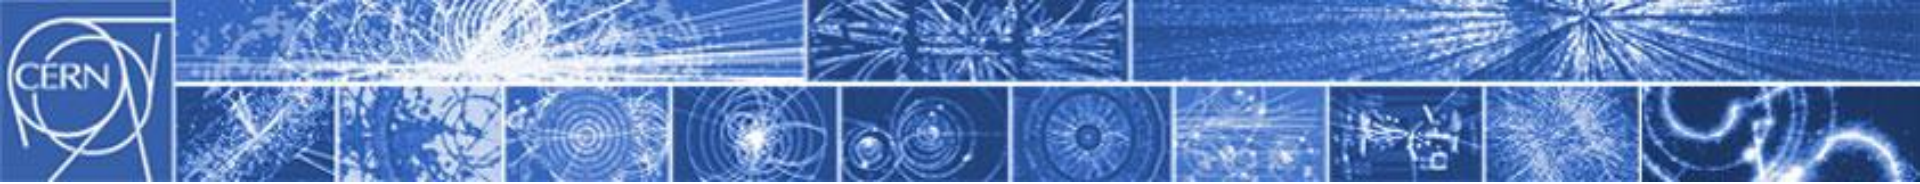

# Aim

The aim of these conferences is to offer a forum for administrative professionals of international organisations, to exchange experiences on selected themes related to performance management in international public administrations

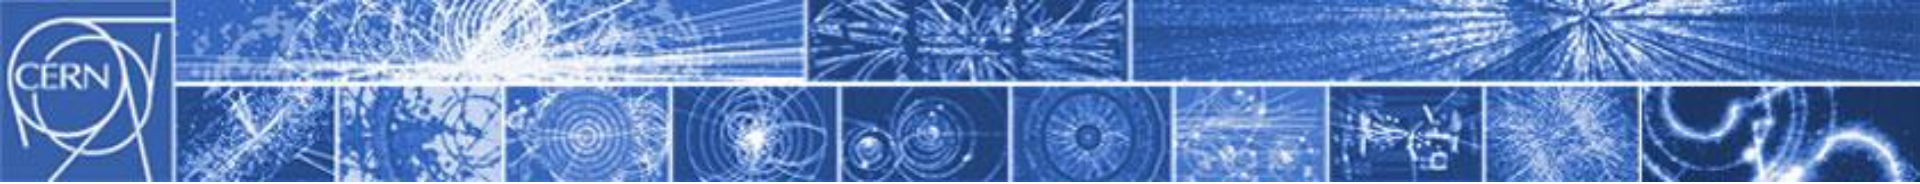

Wide range of participants

More than 20 represented International Organisations

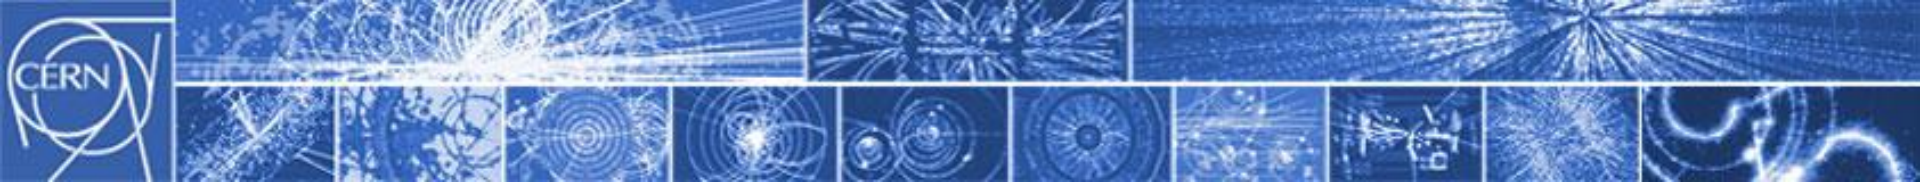

# Follow-up

- Proposal to rename the conference series to  
*Performance Management of International Public Administrations*
- 5<sup>th</sup> conference: proposal by INTERPOL to host the conference in Lyon (by L. Grosse)

# Programme

- Following the usual pattern of 3 sessions
- Allow for sufficient discussions during coffee breaks, etc.
- Presentations from 8 Organisations linked to the conference theme

# Some administration

CERN introduction and visit this afternoon

Bus transport by bus at 19.00 hours

## Before CERN Visit on Monday:

- Luggage:
  - Those staying at CERN Hostel can leave luggage in Conf Room (Conf Room will be locked);
  - between CERN Visit and Departure to the Auberge, there will be time to pick up luggage and do the check-in;
  - Those staying in a hotel in Gva and who have not had time to check into their hotel: please take your luggage with you as it can be left in the bus (during Visit and Dinner)

Photo tomorrow at 10.20 before the coffee break of the morning.

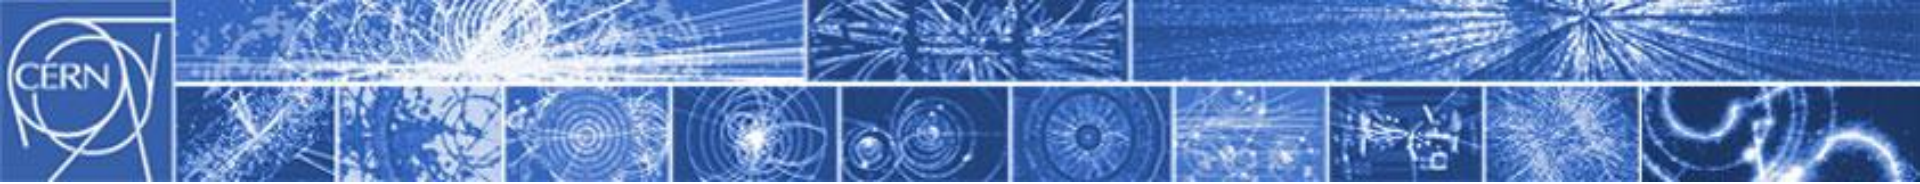

# Proceedings

- No formal proceedings
- All presentations will be put on the conference web page (INDICO)

<http://indico.cern.ch/conferenceDisplay.py?confId=73785>

After the Conference participants will be sent the link to the Conference page with access to the presentations.

Interesting presentations and discussions ahead

Many, many thanks to **Ariane Loersch** for having mastered the administration and burden to organise this conference.
