

ISOTDAQ 2019

William Panduro Vazquez
(on behalf of the Organising Committee)

Welcome to ISOTDAQ at Royal Holloway!

- Over the next 10 days, some of the world's leading experts will introduce you to the concepts and technologies underpinning **Trigger** and **Data Acquisition** systems
- Full programme of **lectures** in the mornings, complemented by **laboratory sessions** in the afternoons
 - Except today, which is all lectures
 - Lab book provided in your welcome pack
- WiFi through **eduroam** and **CampusNet**
- Dedicated logins to campus computers
- Helpers on hand to assist with any questions regarding organisation
 - Look for the badges!

Free Day Sunday 7th

- Originally considering organised event
- Decided to leave this as a free day, in view of the school's busy schedule
- We will provide a guide to local sights, including specially prepared walking trails
- Many options available, including Windsor Castle, Savill Garden, Virginia Water Lake...
- ... and of course London!

We hope you enjoy ISOTDAQ 2019!

- Please don't hesitate to ask any questions
 - Either in class, or to the organisers
- Now, on with the school!
