## Neutrino Interactions I (Chairs: A. Bodek, J. Morfin)

Session | Location: Aithousa Mitropoulos, Megaron, Athens - Greece

09:00–09:30 **Challenges in the current Theoretical Picture**

**Speaker**

Luis Alvarez-Ruso

09:30–09:50

**Modeling Neutrino-Nucleus Interactions: Do We Need a New Paradigm?**

**Speaker**

Omar Benhar

09:50–10:10

**Recent Experimental Results: quasi-elastic Scattering**

**Speaker**

Morgan Wascko

10:10–10:30

**Recent experimental results: resonant pion production**

**Speaker**

Martin Tzanov
