

Session Program

Jun 14 - 19, 2010

**NEUTRINO2010, XXIV International
Conference on Neutrino Physics and
Astrophysics, Athens, GREECE**

***Neutrino Interactions II / Neutrino Mixing
and Masses III (Chairs: S. Elliott, T. Nakaya)***

Aithousa Mitropoulos
Megaron, Athens - Greece

Fri, June 18

11:00 AM

Neutrino Interactions II / Neutrino Mixing and Masses III (Chairs: S. Elliott, T. Nakaya)

Session | **Location:** Aithousa Mitropoulos, Megaron, Athens - Greece

11:00 - 11:20 AM **Recent experimental results: coherent pion production**

Speaker

Dr Leslie CAmilleri

11:20 - 11:50 AM **Neutrino Interactions: results by Neutrino 2012 and beyond**

Speaker

Deborah Harris

11:50 AM - 12:10 PM **Neutrino mass calorimetric searches in the MARE experiment**

Speaker

Angelo Nucciotti

12:10 - 12:30 PM **Matrix Elements for Double Beta Decay**

Speaker

Fedor Simkovic

12:30 PM
