

# European Neutrino "Town" meeting and ESPP 2019 discussion

## Wednesday 24 October 2018

**Future prospects with neutrino beams - 80/1-001 - Globe of Science and Innovation - 1st Floor (08:30 - 10:10)**

-Conveners: Tord Johan Carl Ekelof

| time  | [id] title  | presenter                           |
|-------|---|-------------------------------------|
| 08:30 | [38] ENubet   | LONGHIN, Andrea                     |
| 08:50 | [37] theoretical status of neutrino interactions nue/numu energy shifts etc | ALVAREZ-RUSO, Luis                  |
| 09:20 | [36] Non-Standard Interactoins  | SALVADO, Jordi<br>Dr SALVADO, Jordi |
| 09:40 | [39] Beyond DUNE,JUNO&HyperK: ESSnuSB, P2O and Neutrino factory             | TSENOV, Roumen                      |
