

Session Program

15-18 Oct 2018

8th HL-LHC Collaboration Meeting

Plenary session - Monday PM

CERN, Various rooms

Monday 15 October

14:00

Plenary session - Monday PM

Session | **Location:** CERN, 500/1-001 - Main Auditorium | **Convener:** Oliver Bruning

14:00–14:25

Welcome - European Strategy and HEP future

Speaker

Fabiola Gianotti

14:25–14:50

Project status and collaborations

Speaker

Lucio Rossi

14:50–15:15

Status of the LHC machine: Run 2 performance, LS2 and Run 3 outlook

Speaker

Frederick Bordry

15:15–15:35

LIU: ready for installation

Speaker

Giovanni Rumolo

15:35–15:50

Status of KEK contribution to HiLumi (and outlook for accelerator R&D for HEP)

Speaker

Masanori Yamauchi

15:50–16:05

Status of INFN contribution to HiLumi (and outlook for accelerator R&D for HEP)

Speaker

Pasquale Fabbriatore

16:05

16:40

Plenary session - Monday PM

Session | **Location:** CERN, 500/1-001 - Main Auditorium | **Convener:** Giorgio Apollinari

16:40–17:00

Status of US contribution to HiLumi (and outlook for accelerator R&D for HEP)

Speaker

Simona Rolli

17:00–17:15

The contribution of Spain to HiLumi. The High Field Magnet program

Speaker

Carlos Alejaldre

17:15–17:30

Status of UK contribution to HiLumi (and outlook for accelerator R&D for HEP)

Speaker

Grahame Blair

17:30–17:45

Status of Swedish contribution to HiLumi (and outlook to accelerator R&D)**Speaker**

Tord Johan Carl Ekelof

17:45–18:00

Status of IHEP contribution to HiLumi (and outlook to accelerator R&D for HEP)**Speaker**

Qing Qin

18:00–18:15

Status of Canadian contribution to HiLumi (and outlook to accelerator R&D)**Speaker**

Robert Laxdal

18:15–18:30

Status of Russian contribution to HiLumi (and outlook to accelerator R&D)**Speakers**

Evgeny Levichev, Yuri Tikhonov

18:30
