

Session Program

15-18 Oct 2018

8th HL-LHC Collaboration Meeting

Wednesday WP13

CERN, Various rooms

Wednesday 17 October

11:00

Wednesday WP13

Session | **Location:** CERN, 6/2-004 | **Convener:** Stephen Gibson

11:00-11:20

Results from the upgraded head-tail monitor for instability and crab diagnostics as input for HL specifications

Speaker

Tom Levens

11:20-11:40

Status of E/O BPM development (HL-UK)

Speaker

Alberto Arteché Gonzalez

11:40-12:00

Status of luminosity monitor design for HL-LHC

Speaker

Marcus Palm

12:00-12:20

Design options for the BLM ASIC

Speakers

Luca Giangrande, Francesco Martina

12:20
