

Session Program

15-18 Oct 2018

8th HL-LHC Collaboration Meeting

Thursday PM - WP2/WP5/WP13

CERN, Various rooms

Thursday 18 October

14:00

Thursday PM - WP2/WP5/WP13

Session | **Location:** CERN, 6/2-024 - BE Auditorium Meyrin | **Convener:** Guido Sterbini

14:00–14:20 **Experimental tests for BBLR compensation with wires in the LHC**

Speakers

Guido Sterbini, Axel Poyet

14:20–14:40 **Possible design of a solid wire BBLR compensation**

Speaker

Alessandro Bertarelli

14:40–15:00 **Simulations for wire BBLR compensation in HL-LHC**

Speaker

Kyriacos Skoufaris

15:00–15:20

Measuring beam size with the BGV - results from the demonstrator in Run2

Speaker

Benedikt Würkner

15:20–15:40 **Status of the tungsten shielded BPM design for the inner triplets**

Speaker

Michal Krupa

15:40–16:00 **Specifications for the HL LHC BPM system**

Speaker

Manfred Wendt

16:00
