

SPS status

SPS operations team

MSWG, 10.10.2018

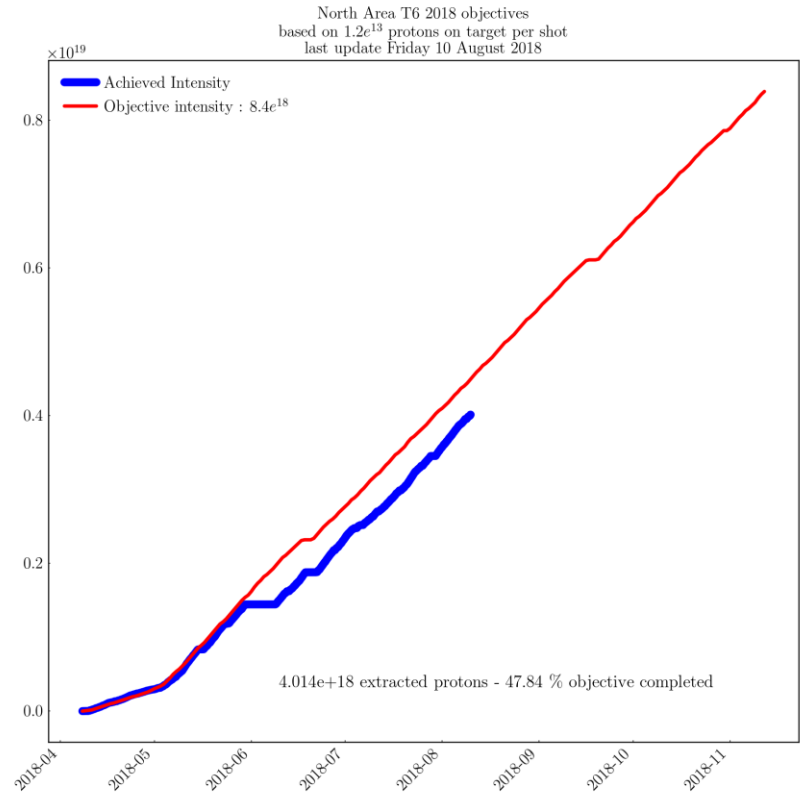

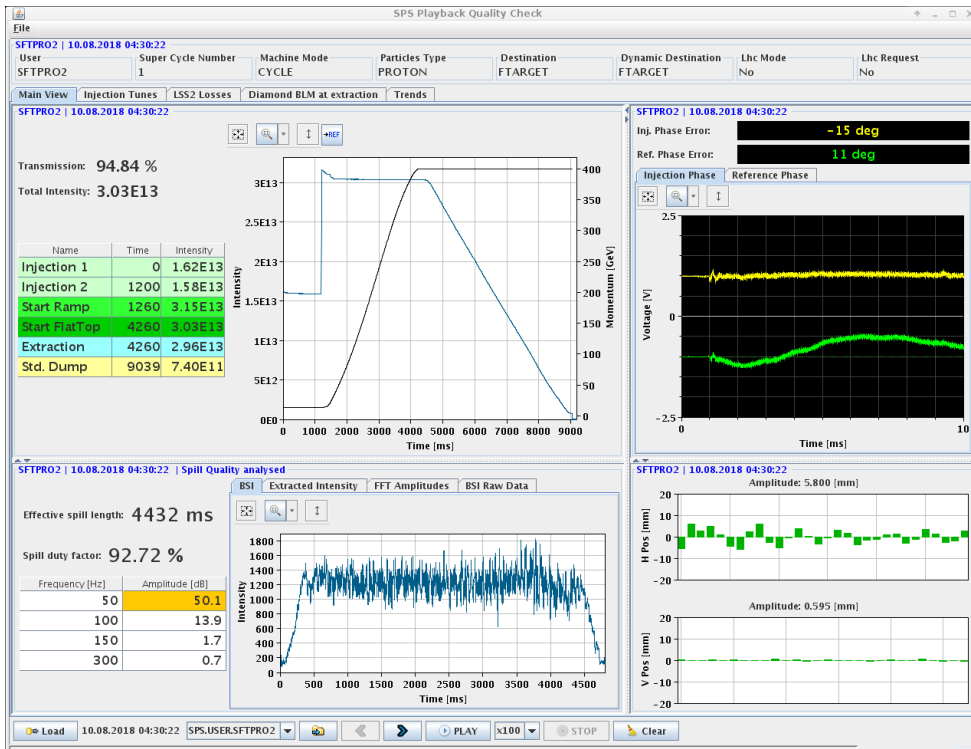

SPS overview

- LHC beams – nothing special

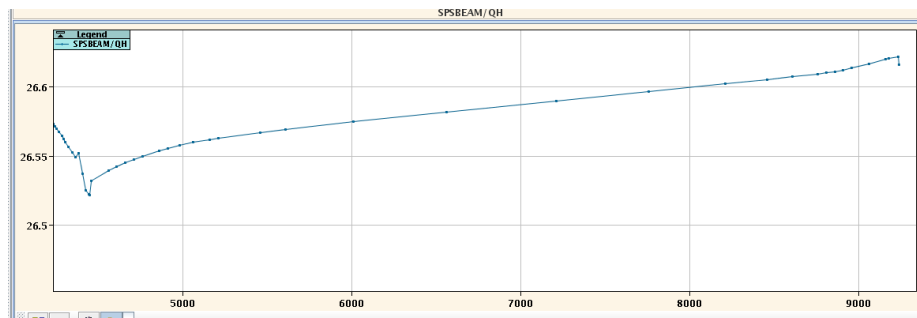

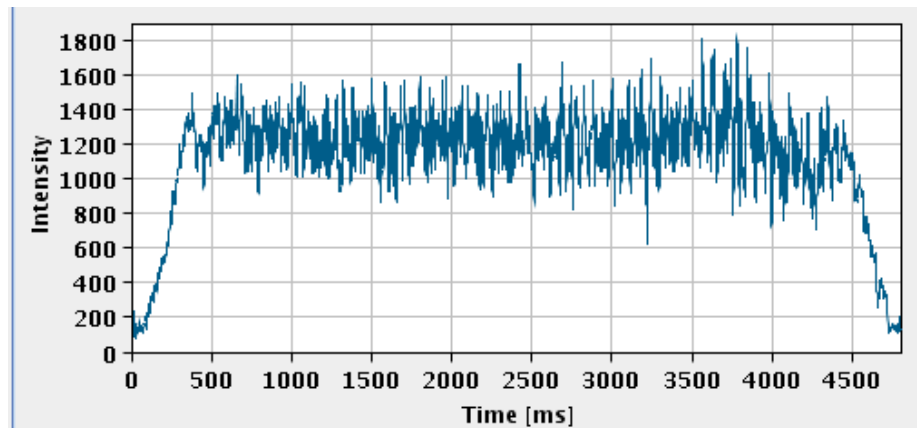

SPS overview

- LHC beams – nothing special
- SFTPRO
 - Increased intensity 2 weeks ago – no increase of spark rate on ZS

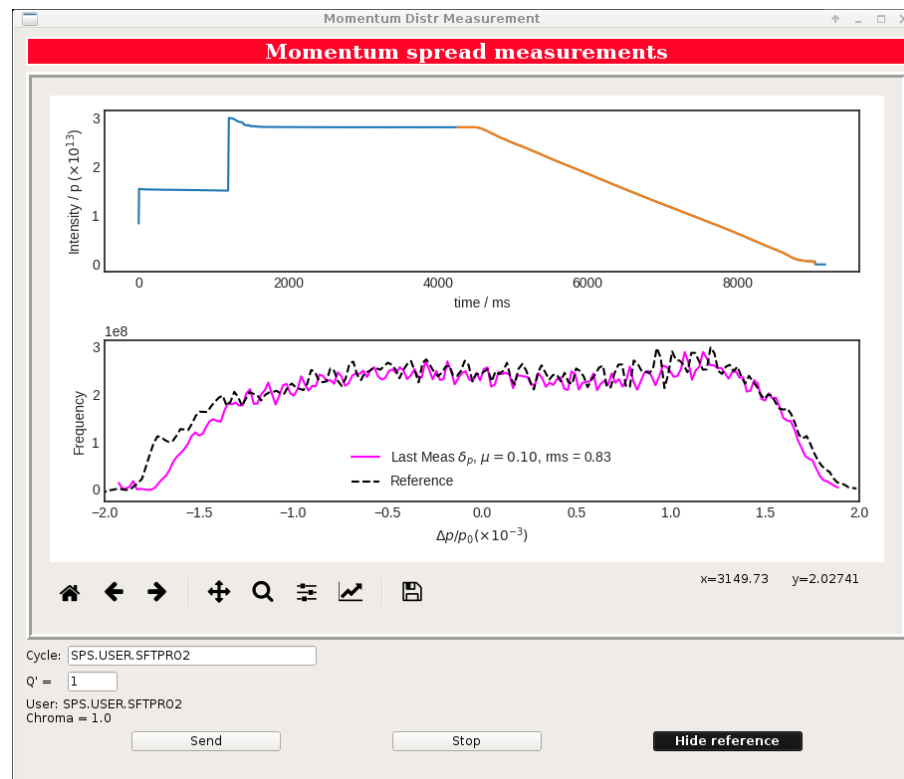

SPS overview

- LHC beams – nothing special
- SFTPRO
- Dedicated MD
 - Measurement of momentum spread from tune variation along slow extraction spill

SPS overview

- LHC beams – nothing special
