

MYRTE - Final International Workshop

MYRRHA Research
and Transmutation
Endeavour

- 3 days workshop including visit of facilities.
- From Tuesday 5 to Thursday 7 February 2019
- @ VKI (von Karman Institute, Belgium) – close to Brussels
- Program almost finalized
- WP leaders have to organize the presentation of their task leaders

MYRTE - Final International Workshop

Tuesday February 5, 2019

8.30 Registration

9.30: **Welcome:** Dr. P. Baeten, SCK•CEN, Belgium

9.40: **Keynote on ADS :** Prof. H. Aït Abderrahim, SCK•CEN, Belgium

10.30: coffee break

11.00: Experimental reactor physics – Dr. A. Kochetkov, SCK•CEN, Belgium (WP5 leader)

11.30: Experimental reactor physics – presentations by task leaders

12.30: lunch

14.00: **Keynote on Thermal-Hydraulics (Verification/Validation) :** C. Lascar, AREVA, Germany (tbc)

14.45: Thermal-Hydraulics – F. Roelofs, NRG, The Netherlands (WP3 leader)

15.15: coffee break

15.45: Thermal-Hydraulics – presentation by task leaders

17.05: Reception

MYRTE - Final International Workshop

Wednesday February 6, 2019

- 9.00: **Keynote on Accelerator** : Dr. Roland Garoby, ESS, Sweden
- 9.45: Accelerator R&D for ADS/MYRRHA, Dr. H. Podlech, IAP, Germany (WP2 leader)
- 10.15: coffee break
- 10.45: Accelerator – presentations by task leaders
- 12.05: lunch
- 13.30: **Euratom Research Perspectives** : Dr. R. Garbil, EC, Belgium
- 14.15: Accelerator – presentations by task leaders (cont.)
- 15.30: coffee break
- 1600: Chemistry of volatile radionuclides - Dr. J. Neuhausen, PSI, Switerland (WP4 leader)
- 16.30: Chemistry of volatile radionuclides – presentation by task leaders
- 17.10: End of the day.
- 20.00: Workshop dinner

MYRTE - Final International Workshop

Thursday February 7, 2019

9.00: **Keynote on Nuclear Fuel Cycle:** Dr. C. Poinssot, CEA, France

9.45: Actinite fuel, Dr. D. Freis, JRC-ITU, Germany (WP6 leader)

10.15: Actinite fuel, presentation by task leader

10.35: Coffee break

11.00: Visit of VKI laboratories

12.00: lunch

13.00: **Departure to Louvain-la-Neuve**

Visit of SCK•CEN accelerator at U.C.L. and visit of IBA (Louvain-la-Neuve)

17.00: End of visit

18.00: Bus @ metro station in Brussels
