

Visit of the Rector of the National University of Science and Technology MISIS

Report of Contributions

Contribution ID: 2

Type: **not specified**

Participation of NUST MISIS in LHCb experiment

Monday 6 August 2018 14:15 (15 minutes)

Presenter: POLUKHINA, Natalia (Russian Academy of Sciences (RU))

Session Classification: Meeting with the scientists and PhD students of NUST MISiS at CERN

Contribution ID: 3

Type: **not specified**

Development of the detector of new generation based on the crystals

Monday 6 August 2018 14:30 (15 minutes)

Presenter: SHMANIN, Evgenii (National University of Science and Technology "MISIS" (RU))

Session Classification: Meeting with the scientists and PhD students of NUST MISiS at CERN

Contribution ID: 4

Type: **not specified**

Participation of the NUST MISiS in SHiP experiment

Monday 6 August 2018 14:45 (15 minutes)

Presenter: Dr GORSHENKOV, Mikhail (National University of Science and Technology "MISIS" (RU))

Session Classification: Meeting with the scientists and PhD students of NUST MISiS at CERN

Contribution ID: 5

Type: **not specified**

Development of hadron absorber magnets cooling system at SHiP complex

Monday 6 August 2018 15:00 (15 minutes)

Presenter: SHAKIN, Aleksandr (National University of Science and Technology "MISIS" (RU))

Session Classification: Meeting with the scientists and PhD students of NUST MISiS at CERN

Contribution ID: 6

Type: **not specified**

Round table

Monday 6 August 2018 15:15 (5 minutes)

Session Classification: Meeting with the scientists and PhD students of NUST MISiS at CERN

Contribution ID: 7

Type: **not specified**

Presentation of new educational programm "Develoment of new technologies for experiments at CERN"

Monday 6 August 2018 15:45 (25 minutes)

Presenter: SHEVCHENKO, Vladimir (National Research Centre Kurchatov Institute (RU))

Session Classification: Discussion about the new educational program of NUST MISIS

Contribution ID: 8

Type: **not specified**

Discussion on the next steps of NUST MISIS activities at CERN

Monday 6 August 2018 16:10 (20 minutes)

Session Classification: Discussion about the new educational program of NUST MISIS
