

Session Program

6 August 2018

**Visit of the Rector of the National University
of Science and Technology MISIS**

***Meeting with the scientists and PhD students
of NUST MISiS at CERN***

CERN, 60/2-023
CERN, 1217 Meyrin

Monday 6 August

14:15

Meeting with the scientists and PhD students of NUST MISiS at CERN: Participation of the NUST MISiS in CERN experiments

Session | **Location:** CERN, 60/2-023, CERN, 1217 Meyrin

14:15–14:30

Participation of NUST MISiS in LHCb experiment

Speaker

Natalia Polukhina

14:30–14:45

Development of the detector of new generation based on the crystals

Speaker

Evgenii Shmanin

14:45–15:00

Participation of the NUST MISiS in SHiP experiment

Speaker

Dr Mikhail Gorshenkov

15:00–15:15

Development of hadron absorber magnets cooling system at SHiP complex

Speaker

Aleksandr Shakin

15:15–15:20

Round table

15:20
