Self Introduction

Ya-Feng LO

Name

- Ya-Feng Lo

Country

- Taiwan

Town + University

- National Tsing-Hua University from Taiwan

Field of Studies and Degree

- First grade master for Physics

Work at CERN

- ATLAS Open Data

Thinking of doing after CERN

- Apply for PhD in high energy physics

Like most as a summer student

- Get connection with people from all around the world
- Have a deeper understanding about high energy physics by research and lectures
- Traveling in Europe
