

XXVII International Workshop on Deep Inelastic Scattering and Related Subjects

Thursday 11 April 2019

Joint WG2+WG4: Small-x and Diff + Hadronic and EW - Palazzo Badini-Confalonieri - Sala Lauree (08:30 - 10:15)

time	[id] title	presenter
08:30	[352] Double parton scattering: theory progress	GAUNT, Jonathan Richard
08:56	[63] Measurements of multiparton interactions at ATLAS	ADAM, Lennart
09:22	[161] Accessing double parton scatterings with associated-quarkonium production	LANSBERG, Jean-Philippe
09:48	[143] Recent CMS results on the Soft QCD and Forward Physics	MEHTA, Ankita
