

Session Program

30 November 2009 to 4 December 2009

Zimányi 2009 Winter School on Heavy Ion Physics

ALICE and LHC 2

KFKI Campus, Tanácsterem (Council rooms), Building 3
H-1121 Budapest XII, Konkoly-Thege M. u 29-33 Hungary

Thursday 3 December

11:05

ALICE and LHC 2

Session |

Location: KFKI Campus, Building 3, Tanácsterem, MTA KFKI RMKI, H-1121 Budapest XII, Konkoly-Thege M. u 29-33 Hungary

11:05-11:45

Fireball fragmentation: overview of observables

Speaker

Prof. Boris TOMASIK

11:45-12:05

Particle Identification at the ALICE HMPID Detector

Speaker

László BOLDIZSÁR

12:05-12:25

Physics applications of gaseous detectors: R&D for ALICE and NA61

Speaker

Mr Gergő HAMAR

12:25
