Announcement of breakdown workshop 2011

Electrical breakdown physics workshop 2010 in Geneva

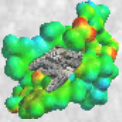

- ⌘ We have had a very interesting workshop
- ⌘ Bringing together people from different fields has given new insights
 - ◆ Fusion reactor arcing connected to ELM's involves surface fields ~ 100 MV/m
- ⌘ But we still have much more to learn from each other

Electrical breakdown physics workshop 2011 in Helsinki

- ↪ We are open for new suggestions, however, we invite to participate in the next workshop
- ♦ Groups studying spark plugs in cars!
 - ♦ Spark triggers

Electrical breakdown physics workshop 2011 in Helsinki on Midsummer fest!
