

Session Program

12-15 Sept 2018

**20th Annual RDMS CMS Collaboration
Conference**

Future Physics

Thursday 13 September

11:00

Future Physics: Session II

Session | **Location:** Tashkent-Samarkand, Uzbekistan | **Convener:** Kerstin Borrás

11:00–11:40

What makes us think that there is physics beyond the Standard model

Speaker

Dmitry Kazakov

11:40–12:10

BSM vs. Nature

Speaker

Andreas Weiler

12:10–12:30

Naturalness of Standard model and Higgs boson

Speaker

Prof. Victor Kim

12:30–12:50

Mass of the Higgs boson: a possible tool to measure the non-naturalness of SM

Speaker

Maxime Gouzevitch

12:50
