

Session Program

5-7 Oct 2018

1st IUEP Mini-Workshop: Physics Opportunities at Future Colliders

Session 3 : charged Higgs

Chonnam National University

Saturday 6 October

15:30

Session 3 : charged Higgs

Session | Location: Chonnam National University

15:30–16:20 **B-meson anomalies and Higgs physics in flavored $U(1)'$ model**

Speaker

Chan Beom Park

16:20–17:10 **Exotic decays of the charged Higgs boson via vectorlike quark loops**

Speaker

Jeonghyeon Song

17:10–18:00 **H^+ Searches: Summary of cH^+ arged 2018 workshop and prospects**

Speaker

Geum Bong Yu

18:00
