

Session Program

5-7 Oct 2018

1st IUEP Mini-Workshop: Physics Opportunities at Future Colliders

Session 4 : Dark Matter

Chonnam National University

Sunday 7 October

13:30

Session 4 : Dark Matter

Session | Location: Chonnam National University

13:30-14:05 **Massive spin-2 mediated dark matter**

Speaker
Yoo-Jin Kang

14:05-14:40 **Time-information at colliders**

Speaker
Dongwoo Kang

14:40-15:20 **Phenomenology of dark gauge group at the LHC**

Speaker
Myeonghun Park

15:20-16:00 **Energetic axion-like particles from decaying dark matter**

Speaker
Kyu Jung Bae

16:00
