

# 8th International Conference on New Frontiers in Physics (ICNFP 2019)

## Wednesday 28 August 2019

### LHC Semiplenary Session - Room 1 (11:00 - 13:30)

-Conveners: Pietro Vischia

time	[id] title	presenter
11:00	[176] Searches for new phenomena with the ATLAS detector	GUESCINI, Francesco
11:30	[260] Searches for new phenomena with the CMS detector (not Dark Matter)	HOEPFNER, Kerstin
12:00	[223] Top quark physics with the ATLAS detector: recent highlights	BRUSCINO, Nello
12:30	[239] Precision electroweak measurements with the CMS detector	Prof. CIULLI, Vitaliano
13:00	[160] Measurements of multiboson production using the ATLAS detector	METCALFE, Jessica
