

Session Program

4-8 Oct 2010

Time and Matter 2010

***The Universe - from the Big Bang to the
Present***

Hotel Splendid
Budva, Montenegro

Tuesday 5 October

09:30

The Universe - from the Big Bang to the Present

Session | Location: Hotel Splendid, Budva, Montenegro

09:30-10:30

Exploring the primordial Universe with CMB polarization

Speaker

Prof. Jean-Christophe Hamilton

10:30-11:00

Coffee Break

11:00-11:30

QUIET Experiment - Ground-based probe of CMB Polarization

Speaker

Prof. Osamu Tajima

11:30-12:00

Model independent constraints from the CMB

Speaker

Dr Marc Vonlanthen

12:00
