

INTERNATIONAL UNION OF PURE AND APPLIED PHYSICS

Commission 12 – Nuclear Physics

Current members

Claes Fahlander (chair)

Joachim Stroth (vice chair)

Ani Aprahamian (secretary)

Anna Mackova

Yanlin Ye

Maria J. G. Borge

Eberhard Widmann

Eugenio Nappi

Andrey Fomichev

Débora Peres Menezes

Mahananda Dasgupta

Fanny Farget

Iris Dillmann

C12 regular tasks

- Decision on INPC conference site
- IUPAP Young Scientist Price
- Selection of conferences for sponsorship

IUPAP Young Scientist Price 2019

Or Hen

Chun Shen

Xiaofei Yang

Awarded every three years, ceremony during INPC conference – Glasgow, August, 2019

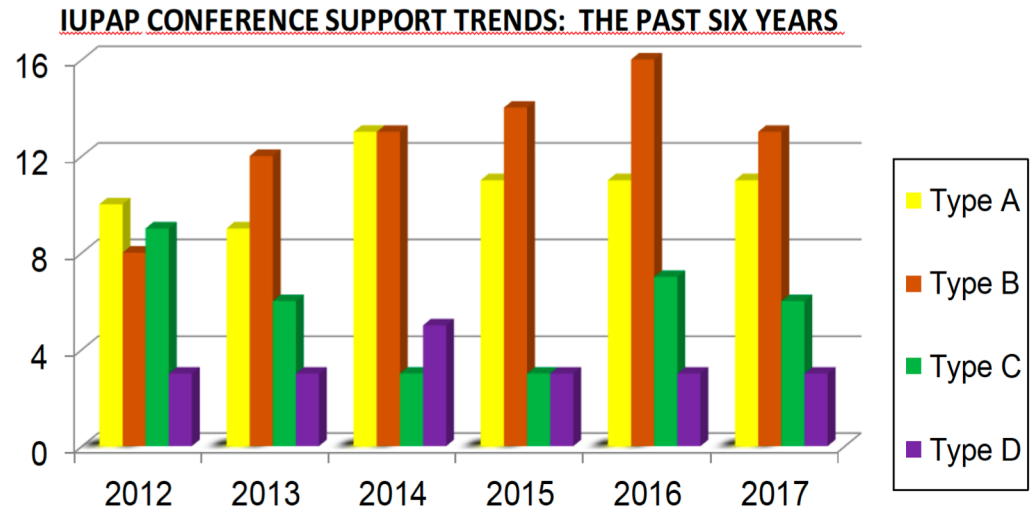

IUPAP Conference Sponsorship

Criteria

- Scientific value and composition of organizing committee
- International character and accessibility
- Free circulation of scientists
- Gender equality

Supported over the years:

- INPC (main conference)
- QM, SQM (our field)
- and many others

Diversity and Inclusion

The 29th IUPAP General Assembly passed a resolution that addressed the *"need to encourage IUPAP-sponsored conferences to have a session for all participants on Diversity and Inclusion in Physics"*.

Diversity and Inclusion

The 29th IUPAP General Assembly passed a resolution that addressed the *"need to encourage IUPAP-sponsored conferences to have a session for all participants on Diversity and Inclusion in Physics"*.

“Companies that embrace diversity and inclusion in all aspects of their business statistically outperform their peers.”

Josh Bersin

The aims of the Union

see iupap.org

- Stimulate and promote international cooperation in physics
- Sponsor suitable international meetings and to assist organizing committees;
- Foster the preparation and the publication of abstracts of papers and tables of physical constants
- Promote international agreements on other use of symbols, units, nomenclature and standards
- Foster free circulation of scientists
- To encourage research and education
