

Session Program

23-26 Apr 2019

Standard Model at the LHC 2019

QCD

Zurich University, KOL F 101
Zürich

Tuesday 23 April

09:00

QCD: Session 1

Session | Location: Zurich University, KOL F 101, Zürich

09:00–09:30 **PDF overview**

Speaker

Dr Juan Rojo

09:30–10:00 **Current theory status for jet production**

Speaker

Dr Joao Ramalho Pires

10:00–10:30 **Jet and photon production at LHC**

Speaker

Giuseppe Callea

10:30

Thursday 25 April

09:00

QCD: Session 2

Session | Location: Zurich University, KOL F 101, Zürich

09:00-09:30 **Jet Substructure Theory**

Speaker

Dr Simone Marzani

09:30-10:00 **Jet structure and event shapes at LHC**

Speaker

Markus Seidel

10:00-10:30 **QCD in the forward regime and Multi-Parton Scattering (LHCb)**

Speaker

Philip Ilten

10:30
