

Session Program

6-7 Nov 2018

7th HERD International Workshop

Simulation and performance

CERN, 774/R-013

Wednesday 7 November

11:40

Simulation and performance

Session | Location: CERN, 774/R-013

11:40–12:00 Update on HERD MC simulation and data analysis framework

Speaker
Dr Nicola Mori

12:00–12:20 FIT uniformity study with simulation

Speaker
Junjing Wang

12:20–12:40 Information gain in experimental design

Speaker
Guillermo Torralba Elipe

12:40
