

Monday 22 October

13:30

Speaker Costin Grigoras 13:50-14:05 The role of HPC: experience and outlook - ATLAS perspective Speaker Andrej Filipcic 14:10-14:25 The role of HPC: experience and outlook - CMS perspective Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	13:30-13:45	The role of HPC: experience and outlook - ALICE perspective
13:50-14:05 Speaker Andrej Filipcic 14:10-14:25 The role of HPC: experience and outlook - CMS perspective Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini	Speaker	
Speaker Andrej Filipcic 14:10-14:25 The role of HPC: experience and outlook - CMS perspective Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini	Costin Grigoras	
Andrej Filipcic 14:10-14:25 The role of HPC: experience and outlook - CMS perspective Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	13:50-14:05	The role of HPC: experience and outlook - ATLAS perspective
14:10-14:25 The role of HPC: experience and outlook - CMS perspective Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	Speaker	
Speaker Dirk Hufnagel 14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini	Andrej Filipcic	
14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	14:10-14:25	The role of HPC: experience and outlook - CMS perspective
14:30-14:45 The role of HPC: experience and outlook - LHCb perspective Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	Speaker	
Speaker Stefan Roiser 14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50		
14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	14:30-14:45	The role of HPC: experience and outlook - LHCb perspective
14:50-15:00 The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	Speaker	
The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50		
The role of HPC: experience and outlook - perspectives from the COMPASS experiment at the SPS Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	14:50-15:00	
Speaker Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50		IPC: experience and outlook - perspectives from the COMPASS
Riccardo Longo 15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	experiment	at the SPS
15:10-15:25 Requirements on HPC from the HEP ML perspective Speaker Maurizio Pierini 15:30-15:50	-	
Speaker Maurizio Pierini 15:30-15:50	Riccardo Longo	
Maurizio Pierini 15:30-15:50	15:10-15:25	Requirements on HPC from the HEP ML perspective
Maurizio Pierini 15:30-15:50	Speaker	
	Maurizio Pierini	
	15:30-15:50	g a common layer for accessing HPC - A perspective from CERN I
