

PARTICLEFACE 2019

Tuesday, 26 February 2019

Session 1 - Room E10B (09:00 - 11:00)

time	[id] title	presenter
09:00	[40] Towards the precision frontier: dealing with QCD-QED corrections	Dr SBORLINI, German
09:30	[63] Quantum symmetry breaking in perturbation theory: physical or spurious?	SAMPAIO, Marcos
10:00	[42] Gauge covariant approach to the electroweak interactions of spin-0 and spin-1 mesons	Dr OSIPOV, Alexander
10:30	[44] Reduction for special negative sectors of planar two-loop integrals	KARDOS, Adam
