

Session Program

9-13 Sept 2019

**XLIX International Symposium on
Multiparticle Dynamics (ISMD2019)**

***Perturbative and Non-Perturbative QCD.
Conveners: Maria-Elena Tajeda-Yeomans
Justin Frantz***

Other Institutes
Santa Fe

Tuesday 10 September

14:00

Perturbative and Non-Perturbative QCD. Conveners: Maria-Elena Tajeda-Yeomans Justin Frantz: II

Session | **Location:** Other Institutes, Santa Fe**14:00-14:25****Searching the QCD critical end point with lattice simulations****Speaker**

Jana N. Guenther

14:25-14:50**The critical end point from a chiral symmetry restoration analysis****Speaker**

Luis Alberto Hernandez

14:50-15:15**Production of exotic charmonium in heavy ion collisions****Speaker**

Fernando Navarra

15:15-15:40**QGP droplet formation in small asymmetric collision systems****Speaker**

Tom Trainor

15:40
