

Session Program

9-13 Sept 2019

**XLIX International Symposium on
Multiparticle Dynamics (ISMD2019)**

***Forward Physics and Diffraction. Conveners:
Christophe Royon, Leszek Motyka***

Other Institutes
Santa Fe

Wednesday 11 September

08:40

Forward Physics and Diffraction. Conveners: Christophe Royon, Leszek Motyka: I

Session | **Location:** Other Institutes, Santa Fe

08:40–09:05

Inclusive diffraction measurements at colliders

Speaker

Fares Djama

09:05–09:30

Diffraction dijet production: breakdown of factorization

Speaker

Roman Pasechnik

09:30–09:55

Photon induced processes at the LHC

Speaker

Justin Andrew Williams

09:55–10:20

Exclusive diffraction at the LHC

Speaker

Christophe Royon

10:20
