Proton Structure - Small and Large x. Alexei Prokudin, Elke Aschenauer: II

Session | Location: Other Institutes, Santa Fe

8:40 - 9:05 AM **Probing the strong coupling with hadronic event shapes**

Speaker

Christopher Lee

9:05 - 9:30 AM **The Proton Radius Puzzle: Experimental Status and Outlook**

Speaker

Dipankar Dutta

9:30 - 9:55 AM

New experimental results from Compass and JLab to unravel the secrets of hadronic structure

Speaker

Alexandre Camsonne

9:55 - 10:20 AM **Theoretical Progress at the Frontiers of Small-x Physics**

Speaker

Matthew Sievert

10:20 AM
