

Session Program

3-5 Feb 2019

International Conference on Recent Issues in Nuclear and Particle Physics (RINP2)

Parallel Session Nuclear Physics

Lipika Auditorium, Visva-Bharati, Santiniketan
At the Lipika Auditorium and the Library Hall Department of Physics, Visva-Bharati University,
Santiniketan, West Bengal, India - 731 235

Tuesday 5 February

14:00

Parallel Session Nuclear Physics

Session |

Location: Lipika Auditorium, Visva-Bharati, Santiniketan, At the Lipika Auditorium and the Library Hall Department of Physics, Visva-Bharati University, Santiniketan, West Bengal, India - 731 235

14:00-14:25

Nuclear structure studies at VECC using INGA**Speaker**

Dr Gopal Mukherjee

14:25-14:50

Recent trends in the neutron and proton induced reaction cross section data for advanced reactor applications**Speaker**

Prof. S. Mukherjee

14:50-15:15

Who is game changer in heavy-ion fusion reaction dynamics?**Speaker**

Dr Ajay Kumar

15:15-15:40

Fission dynamics in the Super Heavy Nuclei**Speaker**

Dr Kaushik Banerjee

15:45
