

# The Short-Baseline Neutrino Program at Fermilab

## Input to the European Particle Physics Strategy Update 2018-2020

### Addendum

#### 1 Interested Community

The SBN Program is being carried out by an international group of more than 250 scientists from the following institutions:

##### Member Institutions of the SBN Program

Federal University of ABC - UFABC, Brazil  
Federal University of Alfenas - UFAL, Brazil  
Argonne National Laboratory, USA  
University of Bern, Switzerland  
University of Bologna, Italy  
INFN Bologna, Italy  
Brookhaven National Laboratory, USA  
University of Campinas, Brazil  
Università di Catania and INFN Catania, Italy  
CERN  
University of Chicago, USA  
Colorado State University, USA  
Columbia University, USA  
Fermilab, USA  
GSSI, L'Aquila, Italy  
INFN Genova, Italy  
H. Niewodniczański Institute of High Energy Physics of the Polish Academy of Sciences, Poland  
Harvard University, USA  
University of Houston, USA  
Illinois Institute of Technology, USA Indiana University, USA  
JINR, Russia  
Kansas State University, USA  
LNGS, Assergi, L'Aquila, Italy  
Lancaster University, UK  
INFN Lecce, Italy  
University of Liverpool, UK

INFN LNF, Italy  
INFN LNS, Italy  
Los Alamos National Laboratory, USA  
University College London, UK  
University of Manchester, UK  
Massachusetts Institute of Technology, USA  
INFN Milano Bicocca, Italy  
University of Michigan, USA  
INFN Milano, Italy  
INFN Milano Bicocca, Italy  
INFN Napoli, Italy  
New Mexico State University, USA  
Pacific Northwest National Laboratory, USA  
Università di Padova and INFN Padova, Italy  
Università di Pavia and INFN Pavia, Italy  
University of Pennsylvania, USA  
University of Pittsburgh, USA  
University of Puerto Rico, USA  
Federal University of Rio de Janeiro, Brazil  
University of Rochester, USA  
Federal University of San Carlos, Brazil  
University of Sheffield, UK  
SLAC National Accelerator Laboratory, USA  
University of Sussex, UK  
Syracuse University, USA  
Technical University, Prague, Czech Republic  
University of Tennessee, USA  
University of Texas at Arlington, USA  
Tufts University, USA  
Institute for Scintillation Materials, Ukraine  
Virginia Tech, USA  
Yale University, USA
