

13th International Conference on Identification of Dark Matter

Online
20-22 July 2020
Vienna, Austria

Welcome to the second bulletin for IDM 2020,

we would like to update you on the status of the Identification of Dark Matter conference 2020.

Due to the COVID-19 pandemic we decided to

- organize a shortened IDM online-only conference from July 20-22, 2020
- postpone the in-person conference to the following year, taking place from July 19-23, 2021 in Vienna, Austria.

IDM2020 online conference

IDM2020 will be organized in an online-only format from Monday, July 20 to Wednesday, July 22. The talks will start on each day at 3PM Central European Summer Time (CEST).

Please find the timetable on our webpage: idm2020.hephy.at. On the webpage we will also release connection information a bit closer to the conference, a registration is not needed.

IDM2021 in-person conference

IDM2021 will take place from July 19-23, 2021 in Vienna, Austria. All information may be found at idm2021.hephy.at.

Abstract submission, registration and a separate announcement will follow in autumn.

Please do not hesitate to contact us (idm2020@hephy.at) in case of questions and to forward this mail to any interested colleague.

We hope to welcome many of you online this year and in person next year in Vienna,

IDM local organizing committee:

Florian Reindl (HEPHY and TU Vienna) - chair
