

Architects Forum, May 2019

G Ganis, EP-SFT

News

- AFS external disconnection test early April
 - No major things observed (per tickets to helpdesk)
 - In particular: nothing reported at experiment/coordinator level
 - Conclusion: no major external dependencies on CERN AFS anymore
- RHEL 8 released
 - No date for CentOS8 yet (summer 2019?)

9 May 2019
