

reminders

- speakers: the tablet tells you how you're in time
- please upload your slides before the session
(if it doesn't work, send us an email with the pdf)
- ✓ please sign the indico speaker release forms for the talk recordings
even if you don't want your recording online → there's a box for that

tutorial preparation

- bring your own device (with webbrowser and wifi)
- based on [SWAN](#)
(if you don't have a CERN computing account → Lorenzo can give you temporary accounts after you filled out [this form](#))
- [binder](#) as backup
- (or locally running docker image ...)
- ideally run through [this notebook](#) on [google collab](#)
