

Outreach on the benefits to society from fundamental research

Panel Discussion

- Starting with questions:
- What is outreach?
- What is Impact?
- How can you measure it?

- **Four knowledge topics were identified as important to further discuss:**
 - 1. Training for Scientists, engineers, Students, etc...**
 - 2. Knowledge transfer to our cooperation partner**
 - 3. Knowledge transfer in combination with technology transfer**
 - 4. Knowledge preservation, training and career perspectives**
