=====

Site-specific issues:

- 1) 11/4: UTA_SWT2 - file transfer errors ("No such file or directory"). This was actually a source problem (CERN-PROD DATADISK), so the ggus ticket (https://ggus.eu/?mode=ticket_info&ticket_id=138088) was closed on 11/6. eLog 67466.
- 2) 11/5: OU_OCHEP_SWT2 - heavy failover from the site to the Frontier backup proxies. https://ggus.eu/?mode=ticket_info&ticket_id=138102 in progress.

Follow-ups from earlier reports:

None
