Discussion: where/for what do we need a domain-specific language?

Tuesday 7 May 2019 13:30 (40 minutes)

- What different purposes can ADLs serve?
- One or multiple ADLs?
- The scope of ADLs? selecting events? filling histograms? fitting?
- How would ADLs improve our way of thinking about our analyses?
- ...

Presenter: PROSPER, Harry (Florida State University (US))
