Feedback

- We hope the workshop was productive and you had some good discussions
- We'd be glad to receive your feedback to the workshop
- What can we do better next time ? How can we be more effective?

Next meetings

- Joint HSF/WLCG/OSG workshop, 18-22 March 2019, https://indico.cern.ch/event/759388/
- Might have a HPC meeting with CMS, 2nd week of May
- Planning to have ATLAS WFMS TIM meeting 13-15 May in Ljubljana
- ATLAS Software & Computing week, 24-28 June 2019, NYU, https://indico.cern.ch/event/765245/

Please take some posters home to your institute

Finally

Thanks to Jarka for organizing all the tours !

We hope there was enough pizza !

Have a safe trip home and enjoy the weekend.

Hope to see many of you at the next ATLAS meetings or the ATLAS Software and Computing week in June at NYU

We are all doing our best to keep the pace (and advance!) our fast-evolving world. There are tremendous challenges in front of us, it is going to be fun and (but?) also a lot of work for everybody!
