

Session Program

13-17 Jan 2019

1st School for Particle Detectors and Applications at KNU (SPDAK 2019)

Detector Physics

Department of Physics, Kyungpook National University, Room 216-1 of NS1
80 Daehakro Department of Physics Bukgu, Daegu 41566 Republic of Korea

Monday 14 January

09:00

Detector Physics

Session |

Location: Department of Physics, Kyungpook National University, Room 216-1 of NS1, 80 Daehakro Department of Physics Bukgu, Daegu 41566 Republic of Korea

09:00-10:20

Particle interactions with materials and detection mechanism

Speaker

Prof. Sehwook Lee

10:20-10:30

Break

10:30-11:30

Optics for light propagation and detection

Speaker

Prof. Junyeob Yeo

11:30-12:30

Demonstration of lithography

Speaker

Prof. Junyeob Yeo

12:30
