

Session Program

13-17 Jan 2019

1st School for Particle Detectors and Applications at KNU (SPDAK 2019)

Simple Experiments

Department of Physics, Kyungpook National University, Room 216-1 of NS1
80 Daehakro Department of Physics Bukgu, Daegu 41566 Republic of Korea

Thursday 17 January

13:00

Simple Experiments

Session |

Location: Department of Physics, Kyungpook National University, Room 216-1 of NS1, 80 Daehakro Department of Physics Bukgu, Daegu 41566 Republic of Korea

13:00-15:30

Measurement of longitudinal electromagnetic shower profile

Speakers

Ms Bobae Kim, Prof. Sehwook Lee

15:30-18:00

Measurement of muon flux

Speakers

Mr Chang-gi Huh, Prof. Sehwook Lee

18:00
