2019-06-04  
LHCOPN+LHCONE meeting  
Umeå, Sweden

# Overview

- Practical details
- Breaks
- Lunch
- Dinner
- Tours

# Practical details

- We'll be in this room the whole meeting
- This room is unlocked on an open campus
  - I have access to a room in this building with good ACLs
- Anyone not able to use eduroam?
- There is remote participation, so sound and video from this room might be transmitted
- If checking luggage, aim for being at the airport 60 minutes before departure
  - Carry-on only: 40 minutes should be plenty

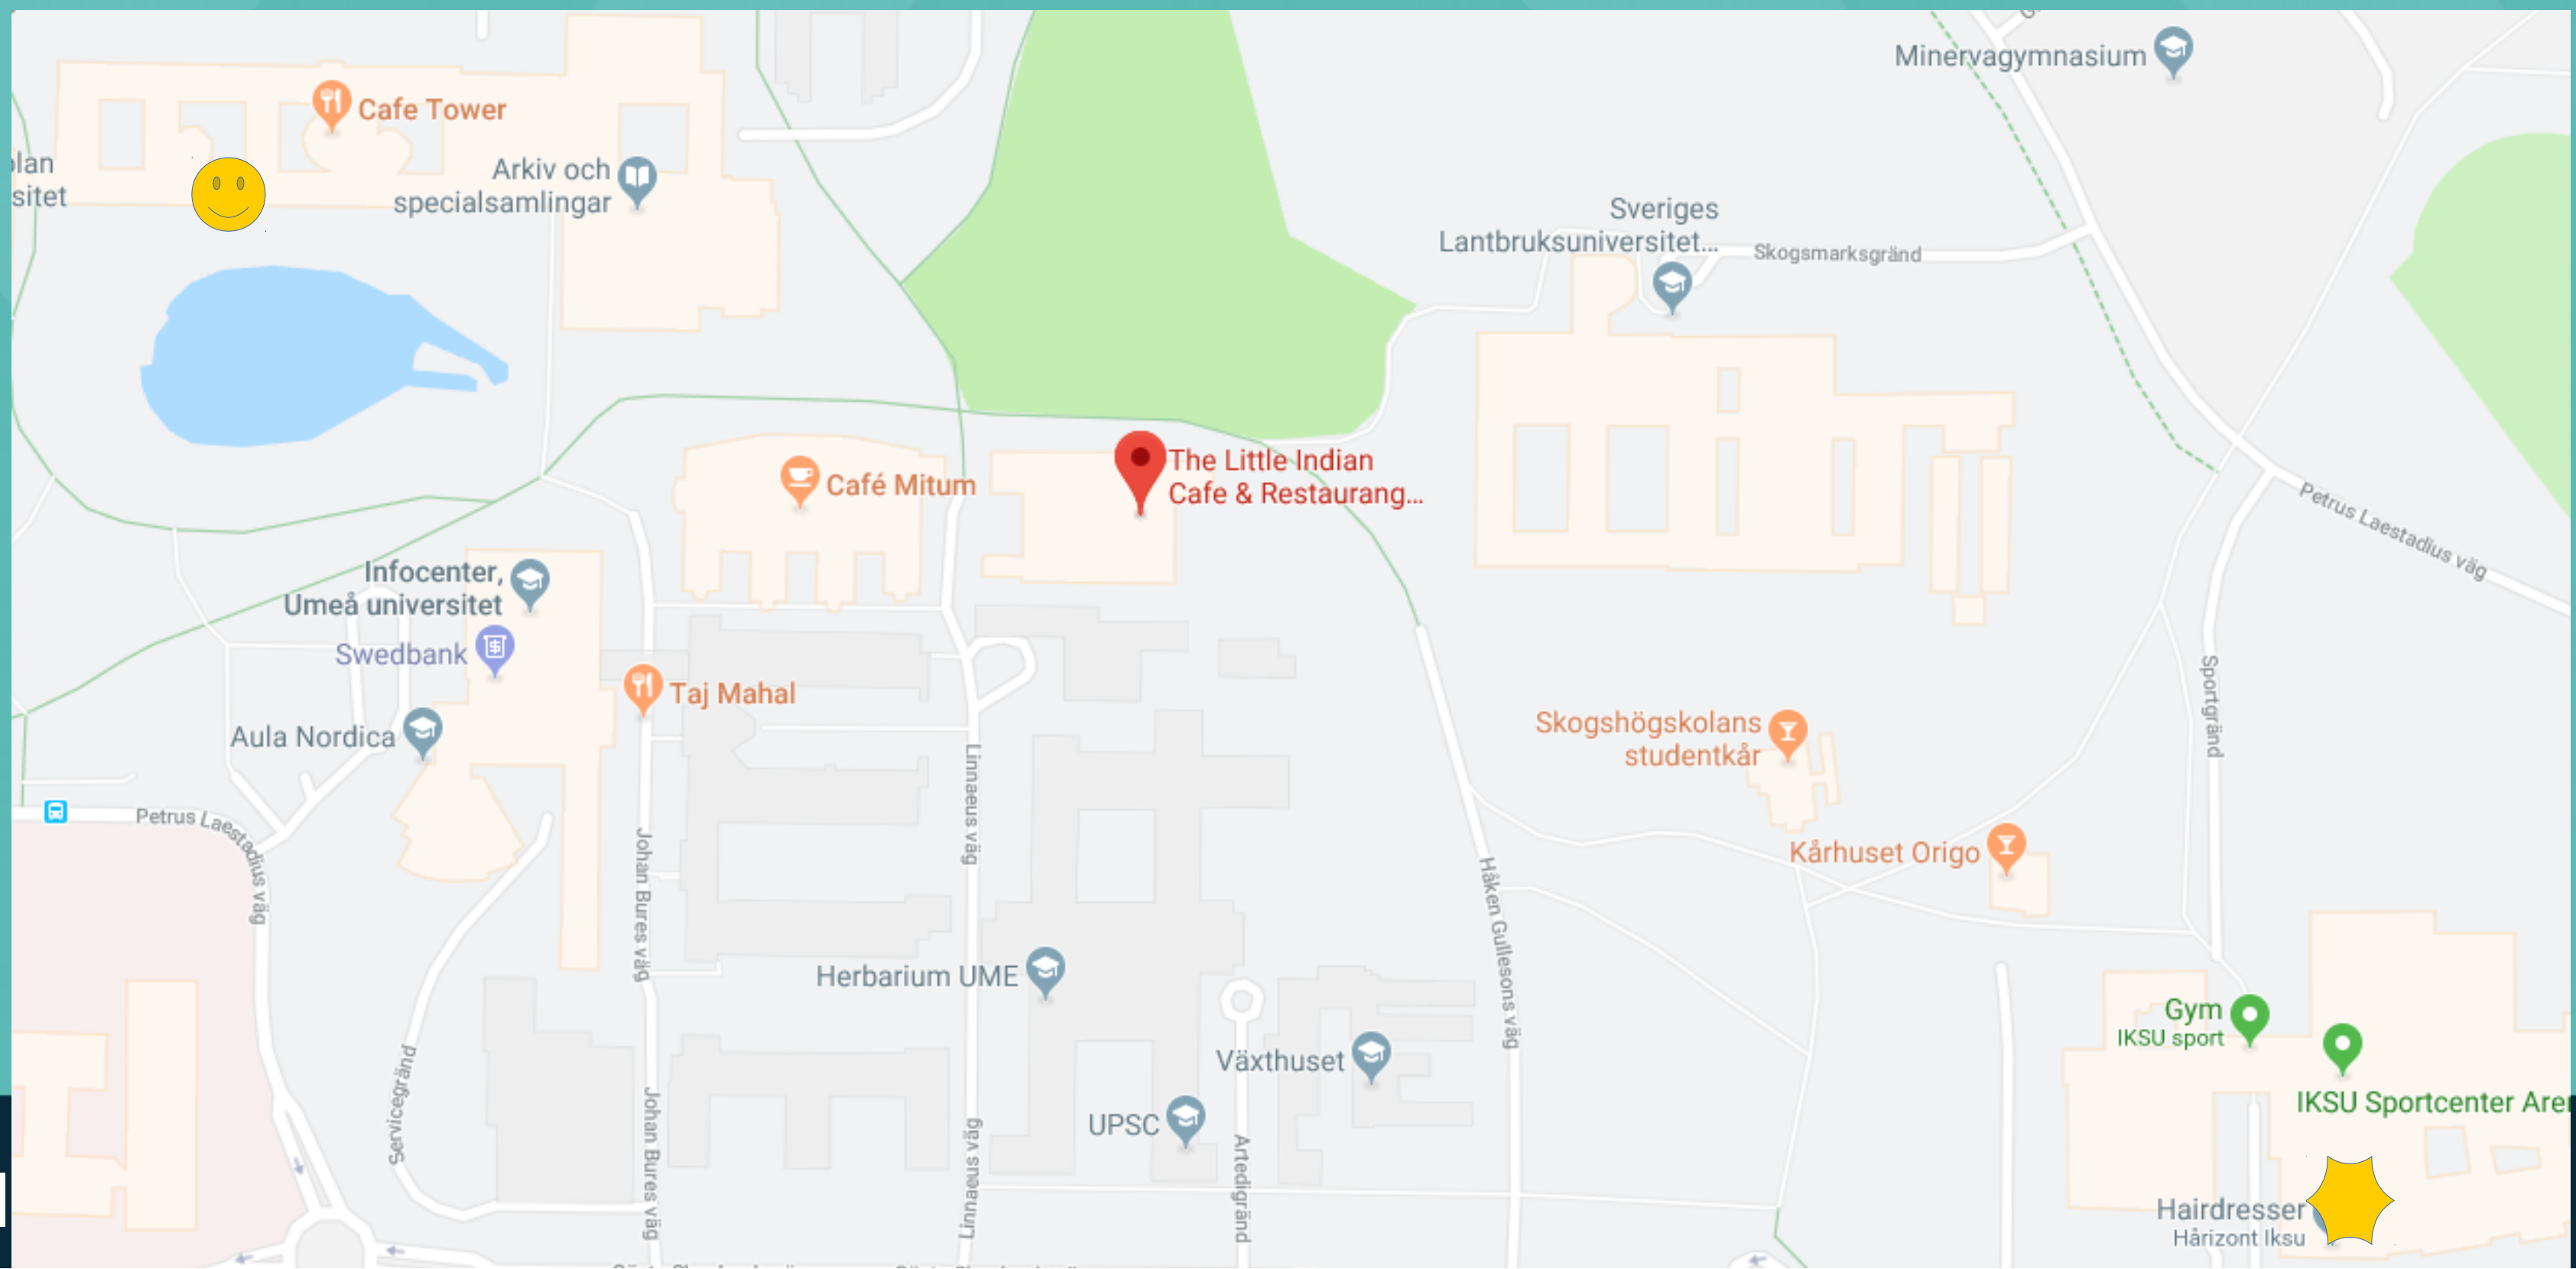

# Coffee Breaks

- Will be catered in this room
- Delivery of drinks and snacks should occur 10 minutes before the scheduled break
  - This afternoon and tomorrow morning

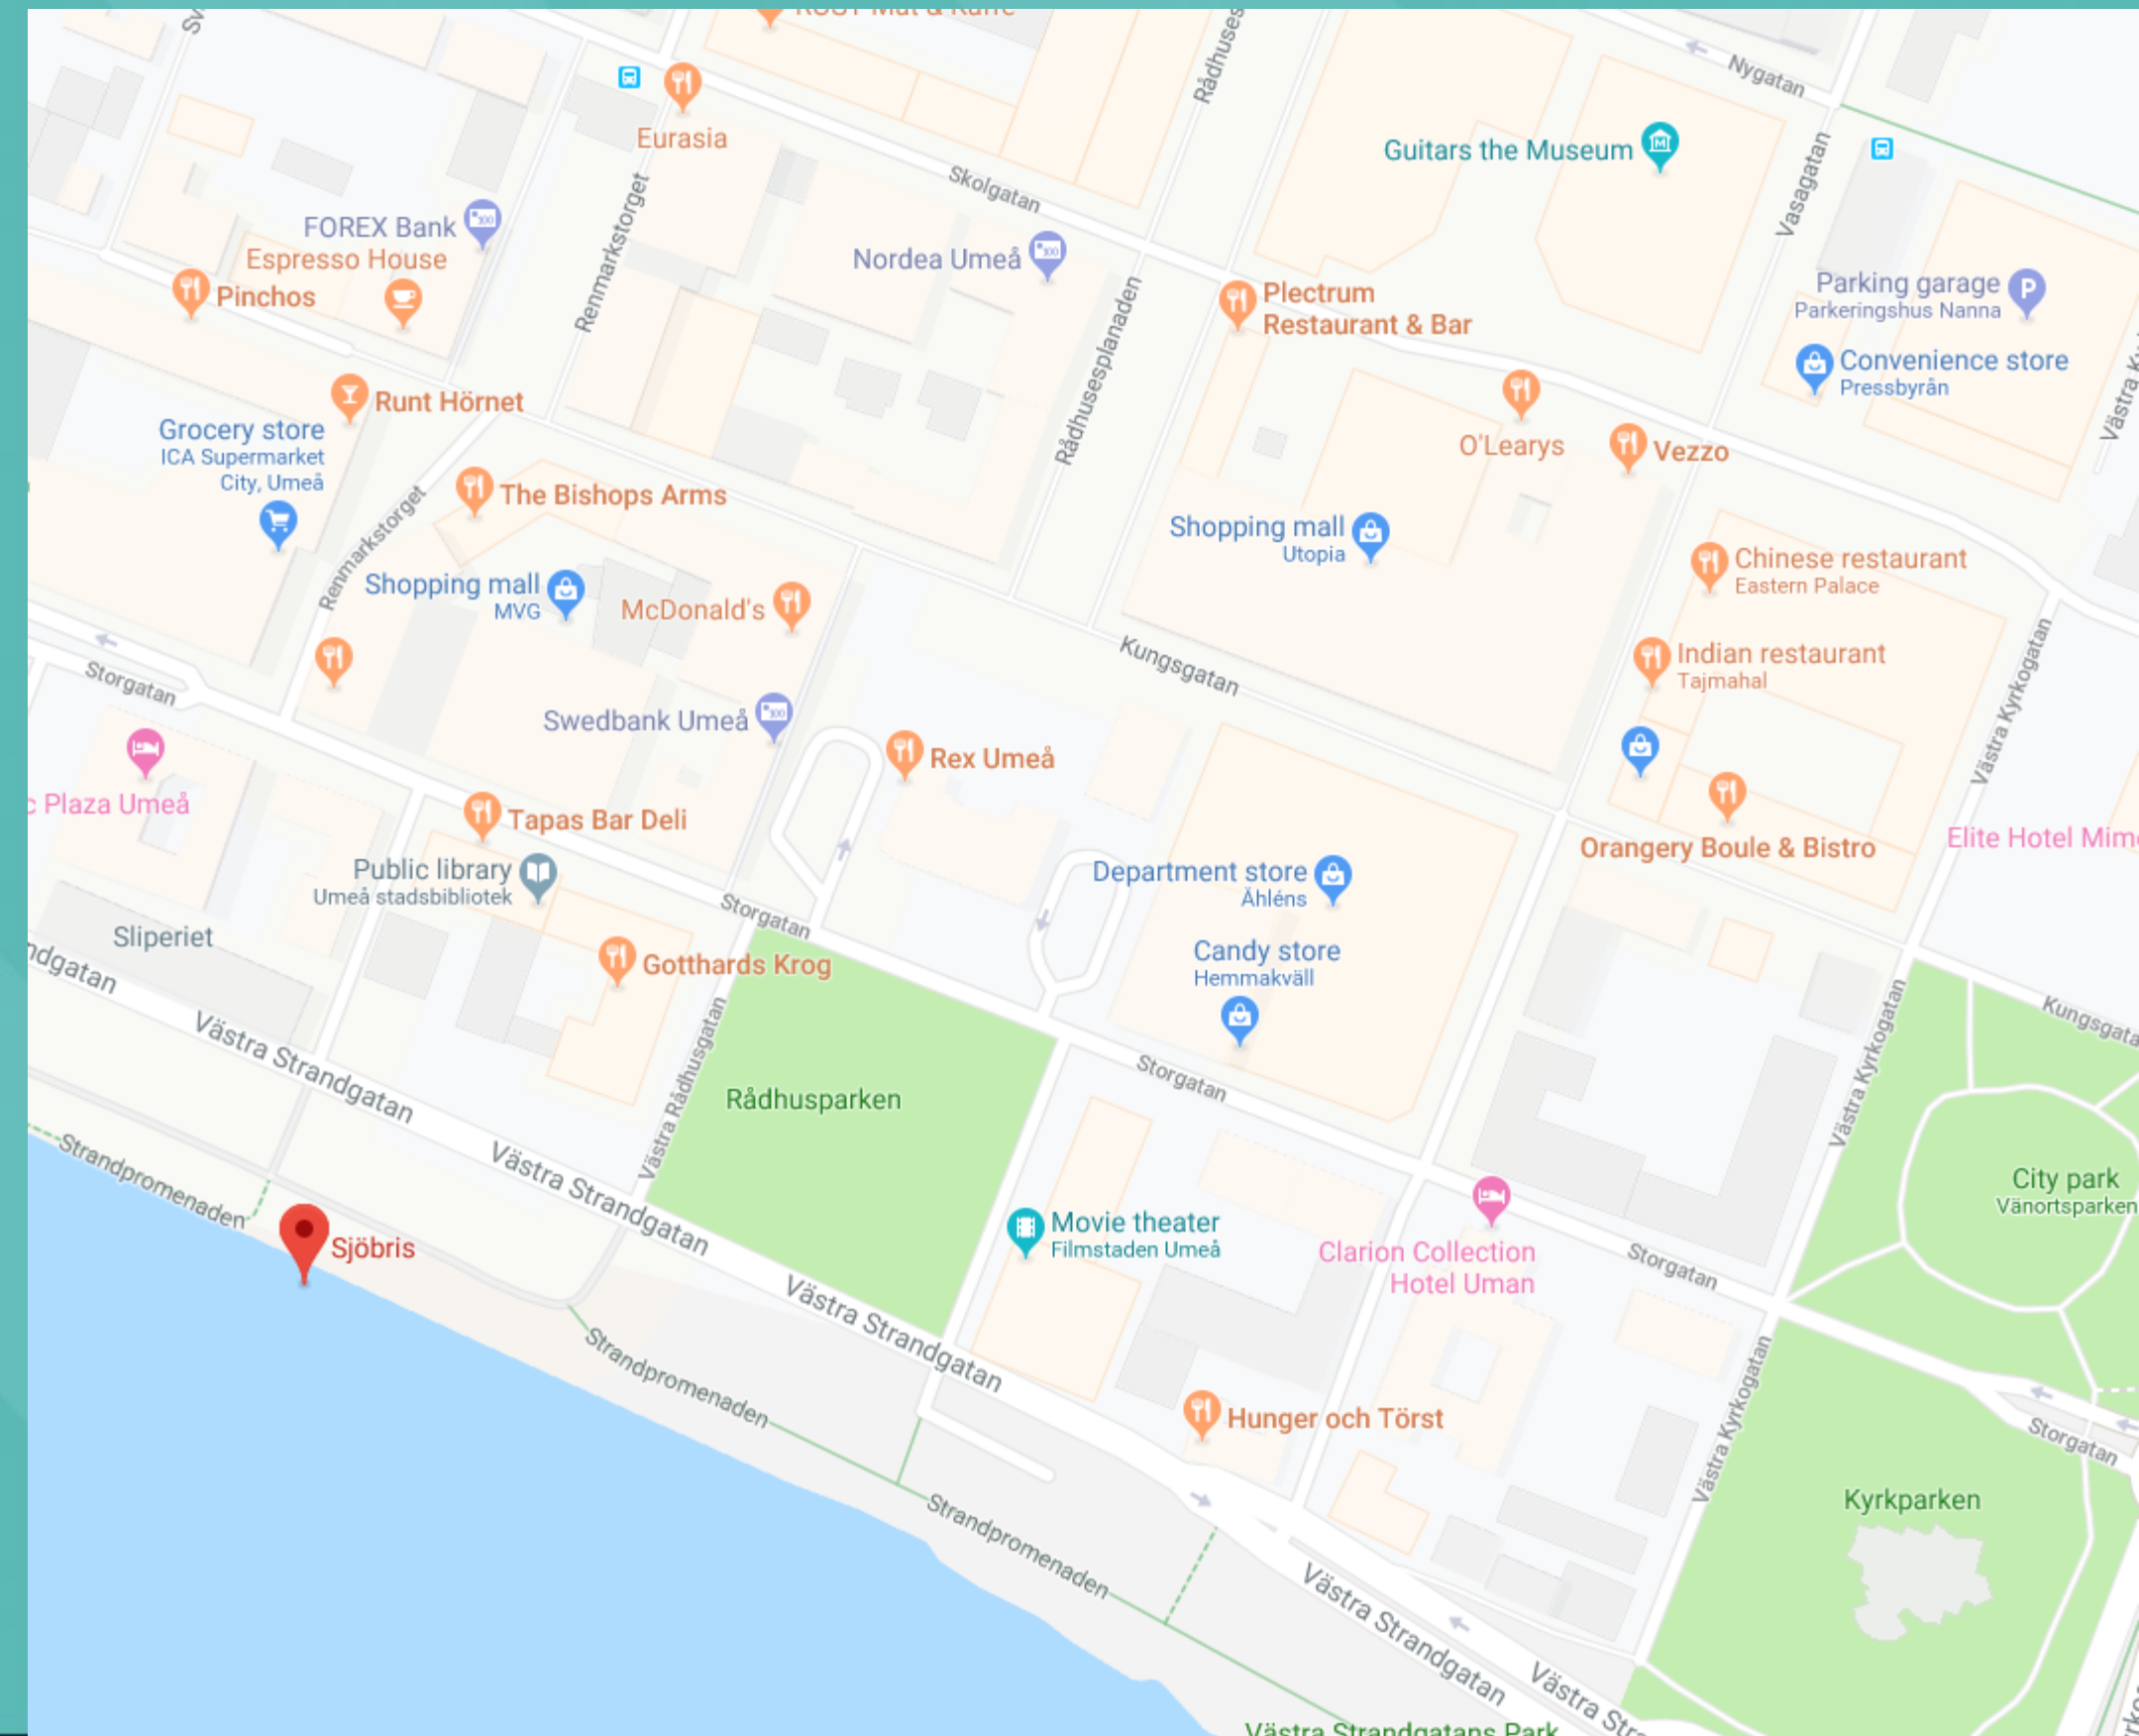

# Lunch

- On your own with several choices of food
  - Personal recommendation: The Little Indian or Hanson&Hammar
  - <https://wallit.cs.umu.se/wallit-common/lunch/>

# Dinner

- Restaurant Sjöbris, 20:00
  - In the city center, on the river
  - No cash, cards only

# Tours

- Three computer rooms possibly of interest
  - HPC2N high density compute room
  - Joint HPC2N, CS dept, Informatics dept classic raised floor room
  - Academic Computer Club, small hobbyist room with lots of public services that you might have used
    - Ever downloaded a Debian iso from [cdimage.debian.org](http://cdimage.debian.org)?
- Short tours at lunch and after today
  - Especially for ACC room, more than 6-8 would be difficult to fit
  - But also for the others, hard for everyone to hear if >12 people
- Plenty of time tomorrow afternoon
