The screenshot shows the Indico event page for the Russian Language Teacher Programme 2019. The header features the Russian flag and the text "Russian Language Teacher Programme". Below the header, the event dates are listed as "3-10 November 2019" at "CERN" in the "Europe/Zurich timezone". A search bar is visible in the top right. The main content area includes an "Overview" section with a description of the programme, an "Administrative Support" section with contact information for Anita Bens, and a "Russian Language Teacher Programme 2019" section with a link to the Indico event page. It also lists the "Teacher Programme Manager" as Jeff Wiener and provides emergency contact information for the CERN fire brigade. A timeline shows the event starts on 3 Nov 2019 at 17:00 and ends on 10 Nov 2019 at 14:00. The location is CERN. A note indicates that there are no materials yet. A footer note states that more precise information about the scientific programme and agenda will be made available under the Timetable, and that a definite confirmation of participation will be sent to participants by e-mail.
