Programme Website

The screenshot shows the 'Swiss Teacher Programme' website. At the top, there is a blue header with a red square containing a white cross (Swiss flag) and the text 'Swiss Teacher Programme'. Below the header, the date '11-13 November 2019' and 'CERN' are displayed, along with a search bar. A left sidebar contains navigation links: 'Overview', 'Timetable', and 'Administrative Support:'. The 'Administrative Support' section lists an email 'anita.bers@cern.ch' and a phone number '+41 22 76 72775'. The main content area features a paragraph about the programme, a link to the Indico page, contact information for the Teacher Programme Manager (Jeff Wiener), emergency contact details, and event timing (11-13 Nov 2019, 10:00-14:00). It also lists organizers (Hans Peter Beck, Andreas Müller, Jeff Wiener) and a note that there are no materials yet. A prominent information box states that registration is closed and provides details on costs and reimbursement. A footer note mentions that a timetable and arrival information will be sent via email.

i **The registration for the Swiss Teacher Programme 2019 is closed.**

Participation in the CERN Swiss Teacher Programme is free of cost. Daily living costs can be calculated as follows: all selected participants will stay at the on-site CERN hotel (single room: 58CHF/night) and breakfast, lunch & dinner will be available at the on-site CERN restaurant (approx. 35-40CHF/day).
In addition, the Swiss Physical Society (SPS) will reimburse the individual travel costs of all selected participants and limited funds are available to cover living costs on request.

Information about the scientific programme and agenda will be made available via the Timetable. More precise information concerning your arrival at CERN as well as a definite confirmation of your participation will be sent to you by e-mail. CERN is looking forward to welcoming you here in Geneva, Switzerland!
