

ICFA mini-Workshop on "Mitigation of Coherent Beam Instabilities in
particle accelerators" MCBI 2019

MCBI

Contribution ID: 5

Type: **not specified**

Review of instabilities with space charge and possible mitigations

Monday 23 September 2019 17:30 (30 minutes)

Presenter: BUROV, Alexey (Fermi National Accelerator Lab. (US))

Session Classification: Session 1
